
KUNO 2022 OPEN CALL FOR NEW MEMBERS IN THE KUNO STEERING GROUP

Dear Lina Koseleva,

I am writing to confirm my candidacy for membership in the KUNO Steering Group. I am keen to contribute to the growth of the KUNO network as I see how much our students – from Bachelor to PhD – benefit from the various programmes run and supported by KUNO.

My teaching and research focuses on environmental and climate justice. I run a research and design studio that produces spatial and visual evidence to support legal cases and advocacy/journalism projects on environmental justice. We present our work in various forums and exhibitions worldwide. Next year I will be starting CLIMATE RIGHTS, a Norwegian research council project. If elected, I will be looking to see how my teaching and research can enrich the KUNO network.

I confirm that I have full support from NTNU and that I will be attending the upcoming KUNO meeting where I look forward to making my introduction in person.

Please do not hesitate to contact me should you require further information.

Sincerely,

Nabil Ahmed
